CASIO.

# Superior Series

The high-resolution hero

The new ultra-bright Superior Series amazes with brilliance and precision. Thanks to 4,000 lumens and a high resolution of up to  $1,920 \times 1,200$  pixels, all at an aspect ratio of 16:10, these projectors present content in a way that no one will ever forget. What's more, the exclusive ES functions for digital teaching provide added convenience by enabling ultra-fast set-up and easy integration of several presenters.

# **Educational Solutions**

- 1-Click Connection\*
- Moderator Function\*
- Custom Templates
- Auto Projection Off
- Auto Input Search
- Countdown Timer Function
- Mirror Mode

# LampFree Benefits

- Laser and LED R-Hybrid Light Source
- Mercury Free
- Up to 20,000 hours service life
- · No Lamp Replacement
- Low Power Consumption
- No Down Time for maintenance

## LampFree Features

- Up to 4,000 lumens
- WUXGA Resolution
- · Intelligent Brightness Control
- Quick Start (5 seconds to full brightness)
- Direct ON/OFF
- Network Connectivities

## Low Carbon Footprint

Eco Mode can save as much as 50% energy costs, and we link it to an ambient light sensor, producing great images by automatically adjusting the projector brightness to the brightness of the room.
